Kick off the Summer with a Rockin' Good Time
The 12th Annual Whalley Community Festival

Surrey, BC – Calling all classic rock fans: dust off those turntables and hang on to your vinyl records because celebrated Vancouver band **Chilliwack** is headlining this year's Whalley Community Festival. Sponsored by the Downtown Surrey Business Improvement Association, this main stage act is guaranteed to bring rock 'n' roll to Surrey.

With hits like "Whatcha Gonna Do," "I Believe," and "My Girl (Gone, Gone, Gone)", **Chilliwack's** rise to success is no surprise. Despite numerous personnel changes, lead vocalist, songwriter and guitarist Bill Henderson remains consistent and continues to tour with **Chilliwack**.

On June 19th, the Whalley Community Association invites everyone – young, old and those in the middle – to Surrey for this annual event. The day kicks off with a North Surrey Lions Pancake Breakfast at 9:30 am. Entertainment and activities run from noon to 6pm. This is a free event for the whole family with thanks to support from local businesses and community groups.

The construction of Surrey's new City Centre Library has necessitated a change in venue. The Festival is moving to a new location - Central City Plaza, the North Surrey Rec Centre and the parking lot on 102 Avenue. Parking is available at Central City Shopping Centre.

Organized by the Whalley Community Association, 2010 marks the 12th year of the Whalley Community Festival. For more information please visit www.whalleyfestival.com and www.whalleycommunity.com.
